

# International Journal of Mathematics and Statistics Invention

e-ISSN : 2321 - 4767 p-ISSN : 2321 - 4759

## Contents :

- |   |       |
|---|-------|
| Hybrid Regression Estimation and Feature Selection<br>Technique Using Robust Variable Screening Technique<br>and Regularization<br><i>Adamu Buba, Umar Usman, Yakubu Musa, Murtala Muhammed<br/>Hamza</i> | 01-16 |
| Inventory model with limited storage problem for<br>deteriorating items<br><i>Swati Bisht</i>   | 17-23 |
| A Queueing system incorporating the effects of<br>Environmental change and Catastrophes<br><i>Darvinder Kumar</i>   | 24-37 |
| On Delta Harmonic and Multiplicative Delta Harmonic<br>Indices of Some Nanostructures<br><i>V.R.Kulli</i>   | 38-45 |
| Mathematical Model for inventory management for<br>perishable items with shortage and selling price<br>dependent demand<br><i>Deepa Makholia, Surendra Vikram singh padiyar</i>                           | 46-51 |
